

QUAT CONTROL

Disinfectant for Daily Mopping

Product Description:

Quat Control is a highly active, potent germ, virus, and bacteria killer. It is water soluble and even effective in hard water. Quat Control is potent as a broad-spectrum disinfectant, fungicide, deodorizer, hard surface cleaner and non-food contact sanitizer. Available in multiple fragrances which create a pleasant environment after mopping.

Features:

- Alkaline and water-based surfaces disinfectant.
- Comes in a variety of natural scents that are long-lasting and pleasing.
- Does not exude any toxic fumes as compared to other options.
- Quat Control is biodegradable.

Application:

For regular cleaning dilute 50 ml in 5 Liters of water, whereas for tough cleaning, dilute 50 ml in 3 litres of water. Quat Control is recommended for sanitation in Hospitals, Pharmaceuticals, Food & Beverage industries, Schools, Hotels, Laboratories, Nursing Homes, residential, and other public places.

Active Ingredient: CAS Number

Aqua : (CAS No.) 7732-18-5
