

# SCORE 250

Heavy-Duty Multipurpose Industrial Cleaner

## Product Description:

SCORE 250 is a powerful waterborne degreaser used for cleaning and degreasing highly contaminated, greasy surfaces. It has a strong surface cleaning and penetrative effect. It has a very strong dissolving power for a broad range of contaminants (oil grease, oil derivatives, soot, zine salts, etc.). It is not aggressive on the surface it is being applied to, is odourless and is environmentally friendly (biodegradable & VOC free). It also has an anti-static effect thanks to the presence of cationic components.

## Features:

- Can be diluted depending on the contamination and method of working.
- Does not damage equipment commonly used in heat exchangers or pipeline manufacturing.
- Highly concentrated.
- Score 100 replaces solvent-based products.
- The product is biodegradable.

## Application:

SCORE 250 can be sprayed onto the surface that requires cleaning and the contamination can be rubbed off with a hard brush. It can also be rubbed on to the surface that requires degreasing via a moistened cloth or sponge, which is followed up by a rinse of water that will remove all the contaminants, then let the surface dry or blast it with compressed air to dry.

## Active Ingredient:

Active Ingredient:	CAS Number
Aqua	: (CAS No.) 7732-18-5
Disodium-Metasilicate	: (CAS No.) 6834-92-0
Tetraacetate	: (CAS No.) 64-02-8
Ethylendiamine	: (CAS No.) 112-34-5
Butoxyethoxy	: (CAS No.) 112-34-5
Ethanol	: (CAS No.) 112-34-5
Imidazolium compounds	: (CAS No.) 93820-52-1

## Physical Properties:

Physical State	: Liquid.
Colour	: Colorless Liquid.
Odour	: Distinct Odour.
pH	: 12.8 @ 20°C
Flashpoint	: N/A

## Storage:

Products shall be ideally stored in a cool, dry location in unopened containers at a temperature between 8° to 28°C (46° to 82°F) unless otherwise labelled. Optimal storage is at the lower half of this temperature range. Do not return any material to its original container to prevent contamination of unused products.

## Packaging:

Available in 10 litres, 25 litres and 200 litres Packaging.
